

## Thanks to our DNA...

PRESS RELEASE - AUGUST 2015

Each year, Geneva Airpark develops and improves its services and customizes its solutions to suit specific requirements.

Every member of our team is an expert in his/her chosen field and closely follows clients' requests and stopover needs.

This professionalism, proximity and ability to listen are part of our DNA. And an ever increasing number of clients are making use of our services.

### For fall and winter

Of course, our team will continue to prove its commitment to welcome planes and assist crews in the best possible conditions.

- For daily or long-term periods
- In case of constraints on Geneva International Airport
